Make a picture timeline of the events in the book, labeling each of the events.	Create a collage with words and pictures around themes or characters in the book.
Keep a log of books you have read. Include title, one-sentence summary, and three new words you learned while reading.	Write a character diary, writing down at least five journal entries as if you are the main character in the story. Write down events that happen during the story and reflect on how they affected the character and why.
Make-up another ending to your story including pictures/drawings.	Choose a character. Write whether or not you would want him/her for a sibling, parent, or friend (choose one) and why.
